The Guided Tours ticket, which is not included in the unlimited use Passport, is also available for purchase at City Hall.

Note: Length of tour may vary depending on wait time for attractions.

Strollers and Wheelchairs

Stroller and wheelchair rentals are available for a nominal charge and refundable deposit. Located on the east side of the Disneyland Main Entrance, just inside the gate.

Also, for the sake of those around you, we request that there be no flash photography, eating, drinking or smoking in any attraction. We thank you for your cooperation and consideration.

Tips to make your visit more pleasant

Here are a few suggestions to save you time and energy, thus enabling you to enjoy your day at Disneyland to the fullest:

Attractions

No matter what the season, the best time to see the most popular attractions is early in the day (before noon) and just before closing.

Also, plan on eating your meals early or late so you'll avoid the lunch and dinner rushes.

If you plan to do some shopping, don't hold off until the end of the day. The shops are usually at their busiest at that time.

The descriptions on pages 7-25 will help you decide what attractions you'd like to see, where you might want to eat, and which shops you'd like to browse through. The Park map on the inside is a helpful guide.

No tickets are required on any attraction: your Passport provides unlimited use of all adventures and attractions (except arcades).

Reentry to Disneyland

If you wish to leave Disneyland and return the same day during regular operating hours, a valid Disneyland ticket and a hand stamp are required for re-admission. You may also reenter the parking lot on the same day (free of charge) if you retain your parking ticket and present it at the Guest Parking Entrance.

Disneyland Hotel guests and visitors leaving by the way of the Disneyland Hotel Monorail Station, must have a valid Disneyland ticket and a hand stamp as they exit the station if they plan to return to Disneyland the same day.

Disney Characters

Disney characters can be found throughout Disneyland at any given time. You can usually find Mickey and his friends in Town Square (except during parade times). Just keep your eyes open and your camera ready.

Attention Young at Heart! Splash Mountain, Space Mountain, Star Tours, Matterhorn Bobsleds, Big Thunder Mountain Railroad and Autopia have special health and boarding restrictions. It is recommended that guests with physical limitations (heart conditions, back or neck problems, motion sickness), expectant mothers and small children observe the warning signs or see a host or hostess at the attraction for more information.

Kodak Picture Tips for Disneyland®

1 For sharp pictures, hold your camera steady as you gently press the shutter release.

2 Add a feeling of depth to your pictures by "framing" the subject with a foreground object such as an arch or tree branch.

3 Personalize your pictures by including friends or family members in the foreground.

4 For natural pictures of people have them involved in a fun

activity rather than staring at the camera.

5 Make title pictures for your picture story by photographing identifying signs.

6 Concentrate attention on your main subject by moving in close enough for it to fill the entire viewfinder (check your camera manual for the minimum subject distance).

7 You may want to capture interesting details of subjects by moving in close. With the close-up setting on some Kodak cameras you can get as close as 18 inches.

8 For good flash pictures be sure to keep your subject within the flash distance range for your camera. Flashes are not functional for subjects beyond 50 feet, such as fireworks.

9 If you have a 35mm camera, you can photograph outdoor subjects after sundown and indoor subjects using fast films, such as KODACOLOR GOLD 400 Films (set exposure meter at 400) and KODACOLOR VR 1000 Films (set exposure meter at 1000).

Need film? Want photo advice?

See the experts at the Camera Center presented by Kodak, on Main Street U.S.A. Kodak film is also available at other shops throughout Disneyland.

Forget your camera?

A limited number of KODAK Cameras are available for your use with a deposit during your visit to Disneyland. Ask for details at the Camera Center.
